6. Important Service Information

6.1. Availability of the Services:

6.1.1. By signing up to the Services, you understand and agree that the Services may not offer all of the features you may expect from a traditional phone line and may sometimes be unavailable as a result of things over which we have no control, for example, power supply disruptions. In return for the payment by you to us of the Charges, you will be provided with Network Terminating Equipment ("NTE"). You must, under Normal Conditions (which means that there is a power supply to the Premises and there are no faults in the Network or the Equipment which affects the quality of the Services provided to you), maintain a mains (240 volt AC) power supply to the NTE in the Premises and any other Equipment we supply in order to use the Services.

6.1.2. Your attention is specifically drawn to the Service description on our Site and in our Code of Practice, which can be found on the Site, and which describes both our Voice and Data Services and any limitations that may exist.

6.2. Access to Public Emergency Calls:

6.2.1. During Normal Conditions, 999/112 public emergency call services can be accessed from the Voice Services. However, you understand and acknowledge that there may be some limitations, as set out in the following paragraphs:

a) During a Service Outage or a power failure, if you do not have a properly charged and installed battery back-up unit, access to 999/112 public emergency call services may not be available;

b) For the phone line(s) in relation to which you contract with us for Voice Services, your location will be registered as a part of subscribing to the Voice Services. This is necessary for billing purposes and for emergency operators and authorities to identify your location and phone number if you dial

999/112; and

c) If we suspend the Voice Services under this Agreement, you will still be able to dial 999/112.

6.2.2 Please note that the details of the battery back up in relation to the Voice Services are set out in the Code of Practice. 6.3 Number Portability:

6.3.2 Number portability may not be available with the Voice Services. If you move your Voice Services to or from Kinetic Telecom or to or from another provider, you may not be able to keep your telephone number. We will not process a number porting request, unless your account is completely current, including payment for all Charges and applicable Cancellation Charge.

7. Conditions of Service

The Services are provided on the following terms:

7.1. Your Information

7.1.1. You acknowledge that the information you provide to us in your Order will be relied upon by us for the provision of the Services.

7.1.2. If there is any change in the information provided by you in the Order or if the information provided by you is incorrect, you agree to notify us immediately by contacting Customer Services.

7.1.3. Notwithstanding any other provision of this Agreement, if any information provided by you is false or inaccurate, we will be entitled to cancel this Agreement by giving notice to you.

7.1.4. We reserve the right to email service announcements to you in connection with the Services.

7.1.5. We take your privacy very seriously and comply with all relevant data protection legislation. Please read our Privacy Policy for more details.

7.2. Your Telephone Number:

7.2.1. Where applicable, we will use reasonable endeavours to transfer your existing telephone number to your account, provided that you give us details of this at the time you place your Order. We shall be entitled to pass on to you any third party charges we incur for number porting. You will be notified in advance of any charges associated with this activity prior to it being processed.

7.2.2. In respect of the telephone number, you agree that:

a) You do not own that telephone number and that you will not transfer it to anyone else or try to do so; and

b) We may change your telephone number where it is reasonably necessary to do so. We will give you as much notice as we can before any change.

7.2.3 We will assist you if you want to move your telephone number onto another provider network (number porting). However, please note that, under some circumstances, number portability may not be possible.

7.3 Monitoring Your Communications

7.3.1 If requested to do so by a government or law enforcement body, Kinetic Telecom may monitor communications using the Services including, without limitation, any content or material transmitted over the Services.

7.3.2 We reserve the right to record any and all calls between you and any member of our staff to enable us to monitor the quality of our Services, to ensure compliance with our regulatory obligations and procedures, in order to prevent or detect crime or to ensure that you are using the Services in accordance with our Fair Usage Policy (see below).

7.4 If You Move Premises:

7.4.1 This Agreement covers the provision of the Services to the Premises.

7.4.2 Details of what to do when you change premises can be found on the Site.

7.4.3 If you intend to move from the Premises and want to transfer your account to your new premises, it is your responsibility to notify us at least thirty (30) days in advance before your move, in order for us to try to arrange to move your Services to your new premises.

7.4.4 Provision of the Services at your new premises is subject to availability of Network coverage.

7.4.5 Following receipt of notice from you under this Clause 7.4.3, we will advise you if it is possible to transfer the Services to your new address:

a) If we can transfer the Services, we will arrange for the Services to be transferred to your new address; and

b) If we continue to provide the Services to you at your new address under this Agreement, you will be subject to a new Minimum Period, which shall start on the date we start providing Services at your new address.

7.4.6 If you move to a new address where there is no active connection to the Network and we transfer your account to your new premises, you will be charged an Activation Charge and you agree to pay such charge in accordance with Clause 5.

7.5 Security of the Services

7.5.1 We cannot guarantee internet security and strongly recommend that you make use of additional security products such as fire walls and anti-virus software due to the “always-on” nature of the Data Services.

7.5.2 We do not guarantee the security of the Data Services against unlawful or un-authorized access or use. You understand and agree that access to and use of the Data Services is at your own risk.

7.6 Line Speed and Performance

7.6.1 You acknowledge that the actual speed and performance of the service you experience in connection with the Data Services will depend on a number of factors, some of which are outside of our control.

7.6.2 As such, we cannot guarantee that maximum transmission speeds can be obtained at any time for our Data Services; nor can we guarantee that, where you are eligible to receive a speed upgrade, the upgrade can be successfully completed within the indicated time-lines.

7.6.3 However, we will use our reasonable endeavours to inform you of any issues and attempt to resolve them as soon as it is reasonably possible.

7.7 Fair Usage Policy

7.7.1 All calls made using the Voice Service are subject to our Fair Usage Policy (a copy of which is available on the Site) and we reserve the right to impose limits on your calls, apply additional charges or suspend or terminate your access to the Services if we reasonably believe you are in breach of our Fair Usage Policy. Please note that we reserve the right under Clause 7.3 to record certain calls to ensure that you are using the Voice Services in accordance with our Fair Usage Policy.

7.8 The Equipment We Provide to You:

7.8.1 We agree to provide you with the Equipment as described on the Site.

7.8.2 In return for the payment by you to us for the Service/s, you are provided with the Equipment.

7.8.3 You must, under Normal Conditions maintain a mains (240 volt AC) power supply to the Equipment in the Premises.

7.8.4 The Router which we supply to you will be your responsibility and ownership shall remain with us. You will be responsible for the costs of repair or replacement of the Router in the event that it is damaged. Responsibility for the Router shall pass to you on delivery to you and so you are responsible for all loss of, theft of, or damage to the Router provided to you.

7.9 Your Obligations in Respect of the Equipment

7.9.1 You agree to notify us immediately by calling Customer Services if the Equipment used to access the Services is stolen or if you become aware of any un-authorized use of the Services.

7.9.2 Failure to do so may result in you being liable for any losses arising as a result of such unauthorised use and suspension or termination of your Services.

7.9.3 You must not reconfigure or tamper with any Equipment supplied to you for the purpose of accessing the Services.

7.9.4 In the event that you do reconfigure or otherwise tamper with any Equipment, we reserve the right to suspend or terminate the Services.

7.9.5 The Equipment must be kept and used in strict accordance with instructions issued by the manufacturer or us and must not be used in conjunction with other equipment not approved by the manufacturer or us. You are only permitted to use the Equipment to connect to the Network.

7.9.6 Apart from the Equipment, you are responsible for providing all equipment necessary to enjoy the benefit of the Services, including a telephone and computer, which must have appropriate specifications.

7.9.7 If any Equipment supplied to you by us is faulty, you must report the fault promptly by contacting Customer Services. If we agree with you that the Equipment is faulty (and, if the fault is with the Router, the fault is diagnosed within the warranty period for such Router), we will either (at our sole discretion):

- a) Rectify the fault in the Equipment; or
- b) Replace the Equipment.

We will not be liable to rectify any fault in, or replace, a Router if a fault is diagnosed outside of the warranty period for such Router.

7.9.8 In instances where a fault is diagnosed with the Network Terminating Equipment (NTE), we will action the appropriate remedy at no additional cost to you, provided that you have complied with your obligations under Clause 7.9 and that the faulty NTE is returned to us, at our cost, in accordance with our instructions, within thirty (30) days of the date on which you reported the fault to Customer Services. If you do not comply with the conditions set out in this Clause 7.9, or (in our reasonable opinion) the fault is caused by abuse or negligence in relation to the NTE, while in your care, you will be charged for and shall pay to us on the demand the cost of the replacement NTE.

7.10 Activation Services and Engineer Visits

7.10.1 Following acceptance of any Order, if you select the Activation Services in your Order, we will contact you to agree an appointment time.

7.10.2 You must ensure that someone over the age of 18 is present whilst our engineer is on the Premises providing the Activation Services.

7.10.3 You must tell us at least 24 hours before any agreed appointment if you cannot make this time, otherwise we may charge you for a missed appointment. If we do not keep an appointment, you will not be charged for this appointment.

7.10.4 We will charge you the Activation Charges in relation to the Activation Services we provided to you and you shall pay the Activation Charges in accordance with Clause 5.

7.10.5 We will need appropriate access to your Premises in order to provide the Activation Services. You also agree to get any permission or authorisation needed from someone else if we have to cross their land or put our equipment on their premises in order to provide the Services to you.

7.11 Your Obligations in Respect of the Equipment

7.11.1 You will be responsible for interoperability between your equipment and the Equipment provided by us to deliver the Services.

7.11.2 We do not accept any responsibility for such interoperability or the performance or nonperformance of your equipment.

7.12 Your Obligations in Respect of the Equipment

7.12.1 If, at any time, there is a fault in relation to the Services and/or the Services are unavailable, you should contact Customer Services. Please contact Customer Services or visit the Site for further information on reporting a fault.

7.12.2 If we fail to repair the Services or fail to respond to the fault within two (2) Business Days of the date on which you reported the fault to Customer Services, you may be entitled to compensation

and such compensation due to you shall be deducted from the amount payable by you in relation to the relevant period.

7.12.3 However, you will not be entitled to such compensation if the fault occurred as a result of an event outside of our reasonable control, or as a result of your interference with and/or failure to maintain the Equipment.

12 Suspension of the Services by Us

12.1 In addition to our other rights whether under this Agreement or otherwise, we may immediately suspend all or part of the Services if:

12.1.1 We reasonably believe you are in breach of any term of this Agreement or any other agreement with us or you;

12.1.2 We reasonably believe that you are in breach of the AUP;

12.1.3 If you fail to make any payment when it becomes due under this Agreement;

12.1.4 We have the right to terminate all or part of this Agreement;

12.1.5 You abuse or threaten us, or a member of our staff; and/or

12.1.6 We are obliged to comply with an order, instruction or request of government or other competent authority, where practical, we will notify you and give the opportunity to remedy the relevant act or omission before suspending the Services. However, you acknowledge and agree that we may, in some circumstances, if one of the events set out above occurs, suspend all or any of the Services, without notice, in order to protect Kinetic Telecom, its Network and its customers.

12.2 We may need to temporarily suspend the Services for repairs or planned maintenance and upgrades. Where this occurs, we will give you as much notice as it is reasonably possible in the circumstances. We cannot guarantee that the Services will never be faulty. However, we will respond to all reported faults as soon as it is reasonably possible.

12.3 Upon any suspension or termination by us under this Agreement, you are responsible for all Charges that would have been payable, but for suspension or termination, including without limitation un-billed Charges, any applicable Cancellation Charges and other charges all of which immediately become due and payable.

12.4 If we suspend provision of any Services to you under this Agreement, we may or may not agree (at our sole discretion) when the reason for suspension has been rectified to restore your Services. Before we agree to restore your Services, unless the reason for suspension is not connected to your acts or omissions, we will charge you a Re-activation Charge and you shall pay such Re-activation Charge to us on demand.

13 Termination of this Agreement by Us

13.1 We can end this Agreement immediately upon notifying you by email if:

13.1.1 You breach this Agreement and (if the breach is capable of being remedied) fail to remedy the breach within fifteen (15) days of being asked by us in writing to do so.

13.1.2 You have a statutory demand or bankruptcy petition issued against you, or an insolvency practitioner applies to the court for an interim order under the Insolvency Act 1986 (as amended from time to time), or makes a proposal for an individual voluntary arrangement under that legislation, or if you are declared bankrupt, or make a composition or arrangement with or for the benefit of any of your creditors;

13.1.3 Anything similar to any of the events set out in Clause 13.1.2 occurs;

13.1.4 Any legal or regulatory change is introduced which affects our ability to offer the Services;

13.1.5 We cease to have (for any reason whatsoever) any permission, licence or authorisation necessary for the operation of the Network or the provision of the Services;

13.1.6 In accordance with Section 5.4 of the Code of Practice, if we have reasonable grounds for suspecting that there is an unacceptable credit risk to us in connection with your account or if you are likely to breach Clause 9.4, we have asked you for an explanation and you have failed to provide a satisfactory explanation; or

13.1.7 An event referred to in Clause 17.6 continues for more than three (3) months.

13.2 You acknowledge that our ability to provide the Services is dependent upon companies who provide services to us. Therefore, we may terminate this Agreement (without any liability to you), if any underlying arrangement with other operators or suppliers is terminated for whatever reason.

14 Termination of this Agreement by You

14.1 You may end the Agreement immediately by giving us notice in writing if:

15 Effect of Termination and Your Obligations

15.1 When your Agreement comes to an end for any reason:

15.1.1 Your connection to our Network will be disconnected;

15.1.2 You will have to pay immediately all Charges outstanding at the time of disconnection and, where we hold your payment details, you agree that we shall be entitled to collect them from your account;

15.1.3 Where we have provided a Router to you, you may (if the Agreement is cancelled within the Cooling Off Period) be required to return it to us, in accordance with our instructions, at our cost, in the same condition as when it was provided to you (except for fair wear and tear only) within fifteen (15) days of the date on which the Agreement comes to an end. If you do not return the Router to us within fifteen (15) days of our request for you to do so, we will be entitled to assume you have decided to keep it and we will charge you for the Equipment Cost;

15.1.4 We will repay any deposit paid to you by us under the Code of Practice which has not been used by us to pay all or part of any outstanding debt that you owe us;

15.1.5 Unless you have cancelled the Agreement under Clause 14, or the Agreement has been cancelled under Clause 11.3 or Clause 19.4, on termination or cancellation of the Agreement during the Minimum Period, you will pay to us the Cancellation Charge, in respect of each line provided by us as part of the Services. If a Services line or other feature is disconnected after one year following the Activation Date, the applicable Cancellation Charge is waived.

15.2 Those Clauses, the survival of which is necessary for the interpretation or enforcement of this Agreement, shall continue in full force and effect in accordance with their terms, notwithstanding termination or expiry of this Agreement.

You acknowledge and agree that, in entering into this Agreement, you do not do so on the basis of, and do not rely on any representation, warranty or other provision except that expressly provided in this Agreement and all conditions, warranties or other terms implied by statute or common law, are excluded to the fullest extent permitted by Applicable Law.

16.4 The Services are made available "as is" for your own use only.

17.5 In the event of any failure in the Services or Equipment, we shall not be responsible for any charges incurred by you should you divert your telephone or Internet traffic to another communications provider.

17.6 There may be occasions when we are unable to provide the Services as a result of something outside of our reasonable control, such as a delay or failure by our supplier to supply a service to us and no alternative is available at a reasonable cost and legal or regulatory restrictions are imposed on us which prevent or restrict us from providing the Service to you. In such cases, we and you agree that the other will not be responsible for what has happened and will not be responsible for fulfilling their obligations under the Agreement for as long as the event continues.

We will notify you of changes to these Terms and of any increase in Charges at least one month before they are due to take effect.

22 General

22.1 Nothing in this Agreement and no action taken by the parties pursuant to this Agreement shall constitute, or be deemed to constitute between Kinetic Telecom and you, a partnership, association, joint venture or contract of employment, or authorising you to act as agent for us. You shall not have authority to make representations for, act in the name of, or otherwise bind us in any way.

22.1.1 This Agreement is personal to you and you may not transfer your rights or obligations under this Agreement without prior written consent from Kinetic Telecom.

22.2 You agree that we may transfer the Agreement or some or all of our rights and obligations under it at any time. This may mean that different companies are responsible for providing the Services under this Agreement. This will not affect how much you pay and the company or companies providing the Services will still be obliged to provide the Services in accordance with the terms of the Agreement. It may mean that a different company is legally responsible for the Services. Payment requests and invoices will clearly set out which company or companies are legally responsible for the Services.
